## Customization

RCLF takes pride in our ability to provide plaques, decals, and custom artwork to incorporate into almost any of our products. Whether you're looking to brand your furniture, or add a touch of personal design, RCLF has the ability customize our furnishings to suit your personal flare. Inquire within for more information.

## Basic Information

Height: 31"

Length: 66"

Depth: 61"

Weight: 310 lbs

## Materials

- 2" sq. 16 ga. steel tubing
- 1/8" solid steel sheet metal
- Nylon glides

## Construction

- Seat/Top: Laser cut 1/8" sheet metal is coped on edges and bolted to frame
- Frame- Fully welded frame sits on nylon glides for stability and is constructed from 2" square tubing

## Powder Coat Finish Procedure

1. Metal substrate is shot-blasted to remove contaminants and create an optimal etched profile for powder adhesion.
2. Substrate is then washed with an alkaline rinse to further enhance coating effectiveness.
3. An industrial sealer is applied to the piece to inhibit rusting.
4. The piece is then coated with an epoxy powder coat primer and subsequently cured in our oven according to manufacturer's guidelines.
5. The metal returns to the powder booth for application of UV-resistant, polyester powder coat finish and is cured again in the oven. The furniture emerges with a beautiful and durable exterior that is capable of withstanding the rigors of demanding public spaces.

## Warranty

- The Renaissance team warrants the quality of every site amenity that leaves our factory. If the product is installed according to our recommendations, we will guarantee the frame construction for **the life** of the item. All other components are guaranteed for three years after shipment.
