Game Board Decals: -GB

Customization

RCLF takes pride in our ability to provide plaques, decals, and custom artwork to incorporate into almost any of our products. Whether you're looking to brand your furniture, or add a touch of personal design, RCLF has the ability to customize our furnishings to suit your personal flair. Inquire for more information.

Basic Information

Height: 21"

Length: 60"

Depth: 51"

Weight: 178 lbs

Materials

- 14 GA solid steel sheet metal
- 1 ½" square steel tubing
- 1 X ¼" steel flat bar

Construction

-Frame: Table frame is composed entirely of 1 ½" square tubing that has been cut and fully welded in all corners.

Seat and Table Tops: Tops are constructed from 14 GA sheet metal that has been cut to shape and tab welded to flat bar edge. Flat bar and sheet metal are then ground smooth. They bolt to table frame.

Powder Coat Finish Procedure

-1. Metal substrate is shot-blasted to remove contaminants and create an optimal etched profile for powder adhesion.

2. Substrate is then washed with an alkaline rinse to further enhance coating effectiveness.

3. An industrial sealer is applied to the piece to inhibit rusting.

4. The piece is then coated with an epoxy powder coat primer and subsequently cured in our oven according to manufacturer's guidelines.

5. The metal returns to the powder booth for application of UV-resistant, polyester powder coat finish and is cured again in the oven. The furniture emerges with a beautiful and durable exterior that is capable of withstanding the rigors of demanding public spaces.

Warranty

- The Renaissance team warrants the quality of every site amenity that leaves our factory. If the product is installed according to our recommendations, we will guarantee the frame construction for **the life** of the item. All other components are guaranteed for three years after shipment.
